

REVIEW ME!

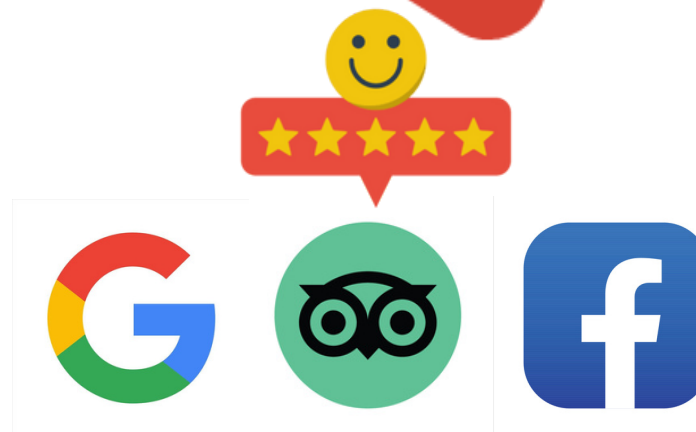

Our intelligent technology allows you to capture your customer reviews via **beautifully branded forms** and feed them into our **AI-driven review engine**.

Our **Adaptive AI technology** will assist in generating the most relevant feedback questions to suit your business goals.

Negative feedback is reported to you privately via our sophisticated analytics dashboard to help improve your business, whilst **only the best reviews are pushed into the online review community** in order to help **enhance your business's online reputation!**

Our groundbreaking **'Ops Assistant'** functionality will help you to easily spot trends to help you understand **when your business is performing at its best.**

You'll even be able to have a clear view of **which staff members are providing the highest levels of service** within your business.

Pricing

Enhance your business's online reputation and gain valuable business insights **from as little as £59 per month!**

Pricing will vary based upon required functionality and numbers of sites.
